Lt. General James H. Doolittle
Space Technology Laboratories, Inc.
Post Office Box 95001
Los Angeles 45, California

Dear Jimmy:

Thank you for your letter of 20 March
advising of the possibility of your going to Moscow
in May with the National Aeronautic Association.

I should certainly like to see you sometime
before you leave, and also to have an opportunity
for you to get together with some of my people.
When your plans are finalized, would you be good
enough to let me know if a mutually convenient time
can be arranged?

With kindest regards,

Sincerely,

SIGNED

Allen W. Dulles

Dear Allen:

Have your letter of the 27th of March. Expect to be in Washington for several days in late April. Will call you upon arrival and come in to see you at your convenience. Think this is better than to try and make a long-range appointment.

All the best.

As ever,
